DO NOT DISCARD THIS LETTER. As a visitor to the United States, you will need this letter to qualify for a "Form 6" import permit allowing you to bring your firearms into the United States. As a competitor, you qualify for the sport shooting exemption that allows a foreign national to possess a firearm while attending shooting events in the United States.

ATF requires nonimmigrant visitors entering the U.S. with firearms or ammunition to obtain a federal permit through ATF in advance of their arrival. You will need to complete ATF Form 6 NIA (5330.3D Application/Permit for Temporary Importation of Firearms and Ammunition by Nonimmigrant Aliens). To apply for the ATF permit, download the ATF F 5330.3D (Form 6 NIA) from:

<http://www.atf.gov/content/firearms/firearms-industry/guides/types-forms-required-importation>

According to the ATF you must submit a copy of this letter, along with your Form 6 application 30-90 days prior to your travel dates to ensure the paperwork will be completed on time. We also recommend including a copy of your USPSA or IPSC affiliate membership card in the application.

Please note that you may fax the ATF Form 6 NIA-5330.3D application to (304) 616-4554 for expedited processing. When your application is approved, ATF will send you an approved ATF F 6NIA (5330.3D) import permit. If you wish to confirm receipt of an application by ATF or obtain a status check on a pending application, you should call the NFA Branch at 304-616-4500.
